Red wine in her love tunnel

by [MiaQc](#)

Summary

Porn without plot. Elodie is 18 years old.

I am Saric. I conquered Elodie's kingdom after she defeated Togami. She was very weakened after her duel with him and I took advantage of that. Now Elodie is my sex slave and I want to drink my wine from her pussy.

- A translation of [Vin rouge dans son tunnel d'amour](#) by [MiaQc](#)

"I want to drink my wine from your pussy, slave." I said coldly to the slave with long pink hair.

Her name is Elodie. She was a princess, the future queen of her kingdom, but now she's nothing but my bitch. The woman is terrified of my order, but she has no choice. After all, I conquered her kingdom after she defeated Togami. She had been very weakened after her duel with him. I took advantage of that. Now the ex-princess is chained in a cell in her old dungeon, at my mercy.

I move the chains to force the woman's body to be upside down. The ex-princess's head is down, her feet are up. I immediately spread Elodie's legs to see her wonderful pussy. She begs me not to do that. The pink-haired slave even calls me by my name, Saric, rather than "monster", "bastard" and "anti-Lumen". It makes me laugh. Elodie finally understands her place! Although she's a Lumen, she cannot break free from the chains, as they nullify all magic.

I take the red wine bottle and I begin to pour the wine in her love tunnel. Elodie screams and begs me to stop. I don't listen to her and I fill her hole with the delicious liquid. I put the wine bottle down and gently insert my finger into her entrance.

"The wine must be stirred before drinking it." I say with a sly smile.

I make a circular movement with my finger, circling the ex-princess's internal walls. Elodie moans and screams. I laugh and remove my finger. I tilt my head slightly and revel in the red wine as I lick, kiss her pussy. The ex-princess continues to groan and yell.

"Ah ~. Delicious ~. Elodie ~. You are delicious." I say in a soft voice between several kisses and licks.

After drinking all the red wine, my tongue can go deep into Elodie's tunnel, I move the chains again. The pink-haired woman's body is upright. She gives me a look filled with hatred and her eyes are limpid. She holds herself back from crying.

"You can cry, beautiful Elodie. That will make me even happier."

With these words, I leave her cell and walk out of the dungeon.
